Hiring Manager
THE COLLECTION
Coral Gables, FL

Dear Hiring Manager,

I have spent thirty-three years in South Florida finance offices — the last twenty-eight at Bill Seidle Nissan Auto Group, and eight before that at Brickell Honda, a short drive from your showroom. I am writing to apply for the Finance and Insurance Manager position at THE COLLECTION.

Let me be direct about the one thing my résumé will not show you: I built my career in high-volume franchise stores, not in luxury. What I bring instead is three decades of the part of this job that does not change when the badge on the hood changes — and a performance record the manufacturer graded every single year.

- **Lender relationships that close difficult deals.** Thirty-three years of working relationships with banks, captives, and credit unions across the full credit spectrum. When a deal is tight, that network is the difference between a delivery and a customer who walks.
- **Product presentation that holds up under scrutiny.** Six-time Nissan Award of Excellence winner, and Platinum level in Nissan Security Plus products every year since 2005 — two decades of a manufacturer grading my penetration and my per-vehicle numbers.
- **A clean hand-off from the sales floor.** I supported a fifteen-person sales team and trained them on deal structure, disclosure, and how to bring a client into the finance office without losing momentum or trust. Your posting puts that transition at the center of the role. It is the part of the job I have spent the most years building.
- **Compliance without exceptions.** Truth in Lending, Red Flags Rule, OFAC — thousands of funded deals, and a clean record across all of them.
- **No learning curve on your systems.** CDK, DealerTrack, and Reynolds & Reynolds, every day, for years.

A client buying a McLaren deserves the same finance office a client buying a sedan deserves: prepared, straightforward, and fast enough to respect their time. I have delivered that in this market, to this city's customers, for more than three decades, and I would like to do it for a group that expects the standard to be higher.

I would welcome the chance to sit down and walk you through my numbers. You can reach me at (786) 554-0173.

Sincerely,

Santos Echevarria
